IV. Timetable

Date Submitted to LSC: 4/90 Semester to be implemented: Spring 1991 Date to be published in Catalog: 1991-2
to UWUCC: 4/90

DESCRIPTION OF CURRICULUM CHANGE

1. A complete catalog description with the new number, title, number of credits, prerequisites, and an appropriately written course description:

PY 101 Energy and Our Environment 3c-01-3sh
An overview of the areas of energy, transportation and pollution. These topics are approached via the relevant concepts of physical science. This course is designed as a liberal studies elective for non-majors.

2. Title change:

Old Title: PHYSICS AND OUR ENVIRONMENT
New Title: Energy and Our Environment

Course description change:

Old Description:

An overview of the areas of energy, transportation and pollution. These topics are approached via the relevant concepts of physical science and physics. Three hours of lecture per week.

New Description:

An overview of the areas of energy, transportation and pollution. These topics are approached via the relevant concepts of physical science. This course is designed as a liberal studies elective for non-majors.

3. Justification/rationale for the changes:

These changes were made in an attempt to attract a larger number of students to the course.
