Note: The total number of required College and Major semester hours for this program as listed in the 1996-1997 Undergraduate Catalog is incorrect. The College requirements list 27sh; ED 441 School Law is 1sh and not 3sh as listed. The correct number of College semester hours is 29. The major requirements list 38sh. The correct number of required major semester hours is 39. The current catalog lists Total Degree Requirements as 127sh; however, with these corrections, the Total Degree Requirements should be 130. These errors have been noted by Kristin Berezansky, Registrars Office, and will be corrected in the 1997-1998 Undergraduate Catalog.

3. Rationale for Change

Early Childhood Education majors and faculty who work with them have repeatedly experienced the need for EL 356 Pedagogy I to be included in the program. There has been no systematic presentation of models of teaching and classroom climate which are included in EL 356. This is evident when students are expected to write lesson and unit plans in their methods courses, ED 342 Pre-student Teaching II, and ED 441 Student Teaching.

This program revision will not require any additional semester hours. EL 356 Pedagogy I will replace one free elective.

Part III. Implementation

1. The proposed revision will not affect students already in the existing program.
2. The proposed revision will require one extra section of EL 356 Pedagogy I to be offered during each academic year. Faculty resources are adequate to accommodate this extra section.
3. No additional resources will be needed.
4. There will be no increase or decrease in the number of students as a result of this revision.

Part IV. Course Proposal

EL 356 Pedagogy I is an approved course required in the Elementary Education program. The course syllabus is attached.

Part V. Letters of Support

The faculty of the Department of Professional Studies in Education voted unanimously to endorse this proposal.
