Description of the Curriculum Change

1. Proposed Catalog Description

SO 493 Internship in Sociology

var-3-12sh

Prerequisite: Prerequisites vary by track. Permission of Internship Coordinator Required.
Supervised experience in public or private organization that extends and complements coursework at the university.

2. Current Catalog Description

SO 493 Internship in Sociology

var-3-12sh

Prerequisite: Permission of the instructor.

Supervised experience in public or private organization that extends and complements coursework at the university.

3. The rationale for this change is to clarify to the student majors that the prerequisites for SO 493 vary depending on which track they choose. The students are required to meet with the Internship Coordinator before enrolling in SO 493. The new wording ensures that the students will discuss the appropriate prerequisites with the Internship Coordinator when they meet. All internships require permission of the Internship Coordinator, even when another instructor supervises a particular internship.
