PART II, DESCRIPTION OF THE CURRICULUM CHANGE

1. Catalog Description of New Number, Title, and Description.

THTR 487 Acting Studio 3c-2l-3sh

Prerequisite: Minimum of THTR 240, by permission; individual foci have additional prerequisites.

An advanced studio course offering scene practice with faculty direction, coaching, and criticism. Specific focus of scene work varies from semester to semester, including improvisation techniques, stage dialects, audition techniques, stage combat and acting for the camera as alternating semester options. May be repeated with a different focus each time.

- 1. This number is being changed to free up the number 483 so that the UWUCC can establish 483 as the university's standard number for undergraduate theses.
- 2. Changing this number will not affect current or future students. Freeing the 483 slot will allow the department to insert the new standard "483" undergraduate thesis number if it chooses to do so when designing its departmental honors track.
