VO 395 Vocational Education Writing Competency   var-Osh

This course number documents that within VO100/VO400, a student has
completed modules that include writing equivalent to one writing-
intensive course.

RATIONALE FOR CREATING VO 395

As the catalog description explains, this number is being created
to document the completion of modules equivalent to one writing-
intensive course. The entire major in this department has only two
courses: VO 100 and VO 400, each a 15sh block comprised of 30
modules which the student works through on an individual basis.
The usual pace is for the student to complete 6 modules per
semester. During one semester in VO 100 and one semester in VO
400, the student will select a group of modules which are
especially appropriate for working on writing skills. The Liberal
Studies Committee has received a detailed writing proposal from the
department and is satisfied with the amount of writing, the quality
of the guidance provided, and the standards of evaluation to be
used. VO 395 (Osh) will be used to document the student's
completion of these modules by showing a /W/ on the transcript.
