DEI Alliance: Student Groups Making a Difference

Created last year through the Social Equity and Title IX Office, the **DEI Alliance** is a cohort of student organizations with a purpose of advocating for DEI principles on and off campus. Each one of these organizations has been involved in uplifting the voices of minority students through educational events and presentations, collaboration of diverse student populations, and engagement with IUP faculty through implementation of awareness programming. The cohort meets monthly to discuss challenges their organizations face, how to better collaborate as a team, and how to best support their members. Staff mentors for the cohort include Elise Glenn, Tom Segar, Leslie Coates, Shawn Jones, and Donovan Daniel. To join, or for more information, contact Erika Jackson (lhrbc@iup.edu).

Does your department or group have a great idea for DEI programming but need help with funding? Through a generous donation by two alumni, support is available for DEI efforts on our campus. Examples of fundable initiatives include speaker fees, Aramark event catering, printing services, group apparel and miscellaneous items for recognized student organizations, student attendance fees at approved events, and more! Contact social-equity@iup.edu for further information and to submit a funding proposal.

FOLDIS: An Effective DEI Campus Resource

Notable programming has again been offered this year through the **Foreign Language Diversity and Inclusion Series (FOLDIS)**. Each workshop, lecture, and activity focuses on enhancing cultural awareness and creating a more inclusive future for participants, both on and off campus. Students earn certificates of participation in multicultural engagement, multicultural awareness, and as a FOLDIS Ambassador. Some events this semester included an art project, musical performance, and thoughtful discussions on language commonalities and diverse ways of eating and thinking.
The Social Equity and Title IX Office assists in fostering a campus environment that values individual differences and promotes diversity, equity, and inclusion. Reaching this goal is best accomplished if all are involved—and each member of the campus community can contribute to the mission.

The office oversees the reporting of issues or problems, programming to support the message that moves us forward, and education and training to equip us all with the tools to contribute to positive change.

**Social Equity & Title IX News**

The office was proud to sponsor the **IUP Volleyball team** during their **Diversity and Inclusion night** on October 13th. The team’s Statement on Inclusion reads: “At IUP Volleyball, inclusion means accepting all differences and coming together to support and love one another. Inclusion is where people are heard and everybody can voice their opinion while feeling like they’re in a comfortable and safe environment. Keeping an open heart allows us to form genuine friendships and connections within our team. We value inclusion in our team culture and incorporate ways everyday for us to express ourselves as individuals.” We thank the players and coaches Lorelle and Pete Hoyer for these meaningful efforts.

**Notable Programming and Events**

The office collaborates on campus-wide programs, celebrations, dialogues, and trainings.

Multiple events were held in celebration of **HISPANIC HERITAGE MONTH** (September 15-October 15), **LGBT HISTORY MONTH** (October), and **Native American Heritage Month** (November). We thank the many student groups, offices, and departments for their efforts on all of these!

Also of note, the **IUP Military and Veterans Resource Center** presented a special program with guest Melvin B. Payne, Board President of the Greater Philadelphia Chapter of Tuskegee Airmen, Inc. in honor of Veterans Day; and the **President’s Commission on the Status of Women at IUP (Women’s Commission)** hosted a **Meet & Mingle Luncheon** for networking and thought sharing on how the commission can best move forward. Further information on this initiative will be available online.

Questions should be directed to Ann Sesti and Lorelle Hoyer, interim co-chairs.

Many campus entities offered significant programs this semester. Highlights include **Banned Book Week** activities in October, presented by the **IUP Libraries** and **English Graduate Organization**; and the community-unifying **Holocaust Remembrance event** in September, hosted by the **Holocaust Remembrance Committee** and **Jewish Student Union**. This featured survivors Oscar Singer and Albert Farhy.
