Students should notify the Office of Student Support and Community Standards 24 hours before the hearing or meeting if they choose to not attend. Participation in the disciplinary process is not mandatory, but is essential for the hearing officer to have a full understanding of the situation. If you do not attend, a decision will be made in your absence.

For each violation, a letter will be mailed to a Parent/Guardian unless the student is over the age of 21 or financially independent.

Office of Student Support and Community Standards correspondence is delivered via IUP email accounts. You will receive a link to sign into your IUP account to view your letter.
