Turning Teaching into Research and Research into Teaching Panel

Monday, March 27

11:15 a.m. - 12:15 p.m.

126 Jane E. Leonard Hall

In Person

Please join our discussion on enhancing scholarship and teaching by bringing them together. Our panel will share their experience with how they incorporate teaching into research and scholarship. Topics include shared examples and ideas, campus resources to assist faculty (including panelists from the GSR, Research Institute, and Senate Research Committee), tips for managing projects, and barriers that can hinder progress.
