TIPS FOR ONLINE INSTRUCTION

1. Establish an ideal study space- set up a work environment that will promote a successful academic experience.
2. Create a weekly schedule- map out blocks of time dedicated to each class and specific class assignments.
3. Begin your day just as you would if you were going to class- get up early, eat a healthy breakfast, get dressed as you normally would for class.
4. Communicate with instructors- utilize the expertise of your instructors by reaching out for assistance with course assignments and course content.
5. Engage with classmates- connect with your classmates by posting to discussion boards and social media outlets related to course assignments, content, and readings.
