

Checklist for Organization

Print out this checklist to help guide yourself through organizing your paper.

My introduction serves as a ***good starting position***.

My thesis smoothly ***summarizes the main point of my paper*** and sets up the rest of the argument that my paper deals with.

My body paragraphs ***support my thesis*** in an equally important manner.

My transitions follow my line of reasoning ***smoothly***.

My conclusion ***brings back my main point*** in a thought provoking manner.
